SUBJECT

**Report on Station Construction Activity in Vietnam**

ACTION REQUIRED - REFERENCES

**Reference:** [REDACTED]

1. The attached report represents a brief summary of present and proposed construction in South Vietnam in support of the Station's programs. As recommended by the FE Area Engineer this report is being made monthly directly to Headquarters with a copy [REDACTED] per ref. It is the first such report to be forwarded since the establishment of an engineer position at this Station and is being submitted in the same format as the FE Area Engineer report [REDACTED] as developed mutually with the Chief, Real Estate and Construction Division.

2. An attempt will be made in the next report covering October to include all projects and split up broad programs into specific projects as they are approved.
